Kõikide fondide osaku puhasväärtuse (edaspidi NAV – net asset value) avalikustab fondi haldaja peale fondi haldustasude mahaarvamist. Fondi haldustasud määrab ja arvestab fondi haldaja. Infot fondi tasude kohta saate fondi haldajalt või Mandatum Life (tel 681 2300). Investeerimiskindlustuse lepingutes kasutatakse siintoodud ostuhindu, mitte fondi haldaja lehel avalikustatud hindu (märkimis- ja lunastamistasusid). Need võivad erineda.

Väärtpaberite müügihind (lunastamishind) on NAV.
